COMMITTEE ON THE RIGHTS OF THE CHILD
Twenty-fifth session
Geneva, 18 September–6 October 2000
Item 4 of the provisional agenda

METHODS OF WORK OF THE COMMITTEE

Note by the Secretary-General

1. The Committee on the Rights of the Child has on several occasions emphasized the importance it attaches to areas where technical assistance would seem appropriate in a particular country, as arising from the consideration of a State party's report and in the light of the provisions of article 45 (b) of the Convention.

2. A table indicating areas in which the need for technical advice and advisory services has been identified in the light of the observations adopted by the Committee at its third to twenty-fifth sessions is to be found in the annex to the present document.

GE.00-45678 (E)

Annex

AREAS IDENTIFIED BY THE COMMITTEE FOR ADVISORY SERVICES AND TECHNICAL ADVICE AND ASSISTANCE

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
ALGERIA	CRC/C/28/Add.4 (initial)	CRC/C/15/Add.76 (fifteenth session)	Para. 32 - Technical assistance from UNICEF to initiate studies and follow-up surveys on vulnerable groups of children.
ARMENIA	CRC/C/28/Add.9 (initial)	CRC/C/15/Add.119 (twenty-third session)	Para. 13 - International cooperation from, inter alia, UNICEF for the identification of appropriate disaggregated indicators for all areas covered by the Convention and for all groups of children under 18. Para. 17 - International cooperation to support the State party in fulfilling its obligations under article 4 of the Convention. Para. 21 - International cooperation from, inter alia, OHCHR, UNICEF and UNESCO for the dissemination of the principles and provisions of the Convention and for the training of professionals working with and for children. Para. 25 - International cooperation to undertake studies and information campaigns to combat discrimination. Para. 35 - Technical assistance from, inter alia, UNICEF and WHO for the training of professional staff working with and for children with disabilities. Para. 37 - International cooperation from, inter alia, UNICEF, WHO and WFP to prevent and combat children's malnutrition and reduce the incidence of child and infant mortality. Para. 41 - International cooperation to prevent and combat the damaging effects of environmental degradation on children. Para. 45 - Cooperation from, inter alia, UNESCO and OHCHR for the conduct of training programmes for teachers on human rights, including children's rights.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
ARMENIA (cont'd)	CRC/C/28/Add.9 (initial)	CRC/C/15/Add.119 (twenty-third session)	Para. 47 - To continue and expand its cooperation with international agencies such as UNHCR and UNICEF to address the limited health, education and rehabilitation services available for refugee children. Para. 51 - International cooperation from, inter alia, ILO and UNICEF in the field of child labour. Para. 53 - Technical assistance from, inter alia, UNICEF, WHO and the International Narcotics Control Board for the establishment of rehabilitation programmes for children victims of drug and substance abuse. Para. 58 - Technical assistance in the field of juvenile justice from, inter alia, OHCHR, the Centre for International Crime Prevention, the International Network on Juvenile Justice and UNICEF, through the Coordination Panel on Technical Advice and Assistance in Juvenile Justice.
AZERBAIJAN	CRC/C/11/Add.8 (initial)	CRC/C/15/Add.77 (fifteenth session)	Para. 48 - International cooperation, if necessary, to address the physical, psychological and social reintegration needs of children affected by the armed conflict and related types of violence. Para. 49 - Technical assistance from OHCHR and the Centre for International Crime Prevention for a comprehensive reform of the juvenile justice system.
BANGLADESH	CRC/C/3/Add.38 and Add.49 (initial)	CRC/C/15/Add.74 (fifteenth session)	Para. 44 - Present cooperation between the State party, international organizations such as ILO and UNICEF, and NGOs to be expanded. Para. 45 - Assistance from UNHCR to ensure adequate protection of refugee children and facilitate family reunification.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
BANGLADESH (cont'd)	CRC/C/3/Add.38 and Add.49 (initial)	CRC/C/15/Add.74 (fifteenth session)	Para. 46 - Technical assistance from OHCHR and the Centre for International Crime Prevention in the area of the administration of juvenile justice.
BARBADOS	CRC/C/3/Add.45 (initial)	CRC/C/15/Add.103 (twenty-first session)	Para. 10 - International cooperation, including from UNICEF, for the identification of appropriate disaggregated indicators for all areas covered by the Convention and for all groups of children under 18. Para. 12 - International technical assistance to avoid the negative impact on children of economic restructuring policies. Para. 13 - International cooperation from, inter alia, UNICEF for the diffusion of the principles and provisions of the Convention and for the training of professionals working with and for children. Para. 22 - International assistance and advice on successful examples of how to overcome traditional social attitudes regarding corporal punishment. Para. 27 - International assistance from, inter alia, UNICEF, with a view to increasing the quality and relevance of education in accordance with articles 28 and 29 of the Convention.
BELARUS	CRC/C/3/Add.14 (initial)	CRC/C/15/Add.17 (fifth session)	Para. 18 - Assistance from UNICEF, WHO, OHCHR and other relevant organizations for, inter alia, the harmonization of legislation and measures with the Convention, the development of a coordinating body on children's rights, and determining the targeting of programmes, the major thrust of policies and the mobilization of resources for the rights of the child. Para. 53 - Technical assistance from, inter alia, UNICEF and WHO to establish a programme of action to address all areas of concern with regard to children with disabilities. Para. 55 - Technical assistance from UNICEF and WHO to implement integrated policies and programmes for the management of childhood illnesses and measures for child and maternal health improvement.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
BURUNDI (cont'd)	CRC/C/3/Add.58 (initial)	CRC/C/15/Add.133 (twenty-fifth session)	Para. 59 - Technical assistance from UNICEF and WHO to develop a comprehensive adolescent health care policy including the provision of reproductive health education and of specialized health assistance for the treatment of mental, reproductive and other health concerns confronting adolescents. Para. 61 - Technical assistance from UNAIDS, UNICEF and WHO to pursue and increase its current efforts to promote awareness and prevention of HIV/AIDS. Para. 63 - Technical assistance from UNICEF and WHO to make psychological assistance available to those children who have experienced trauma and to increase human resources in the area of psychological care by providing specialized mental health training for existing health professionals. Technical assistance from UNICEF and UNESCO to ensure that children with disabilities have access to formal and vocational education opportunities and that girls and boys have equal access to education opportunities. Para. 64 - Technical assistance from UNICEF and UNESCO to include "education for peace", children's rights and other human rights subjects in the curricula of primary and secondary schools. Para. 70 - Technical assistance from UNICEF to ensure that street and "hill" children are protected and have access to health and education services, giving special attention to the situation of girls.
CAMBODIA	CRC/C/1/Add.16 (initial report)	CRC/C/15/Add.128 (twenty-fourth session)	Para. 10 - Technical assistance from, inter alia, OHCHR and UNICEF in the area of legislative reform.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
CAMBODIA (cont'd)	CRC/C/1/Add.16 (initial report)	CRC/C/15/Add.128 (twenty-fourth session)	Para. 16 - International assistance from, inter alia, UNICEF for developing and strengthening the State party's data-collection system. Para. 18 - International cooperation, within the framework of the donor's Consultative Group on Cambodia, to support the State party in fulfilling its obligation under article 4 of the Convention. Para. 20 - Technical assistance from, inter alia, UNICEF and OHCHR, for disseminating the principles and provisions of the Convention. Para. 22 - To continue with technical assistance programmes with OHCHR and UNICEF on the training for professionals working with and for children. Para. 30 - International cooperation from, inter alia, UNICEF and other international organizations, in the area of birth registration. Para. 39 - International technical and financial assistance to develop alternative measures for children deprived of a family environment. Para. 41 - International assistance from, inter alia, UNICEF, to strengthen the capacity of the adoption bureau and to undertake legislative reform on adoption procedures. Para. 43 - International cooperation from, inter alia, UNICEF and international non-governmental organizations for taking effective measures to prevent and combat child abuse and ill-treatment of children. Para. 45 - To continue working with international agencies, such as UNICEF and WHO, to improve primary health services and in the reduction of child morbidity. Para. 47 - To continue working with UNICEF, WHO and UNAIDS for the prevention of HIV/AIDS. Para. 49 - Technical assistance for the training of professional staff working with and for children with disabilities.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
CAMBODIA (cont'd)	CRC/C/1/Add.16 (initial report)	CRC/C/15/Add.128 (twenty-fourth session)	Para. 57 - Technical assistance from UNHCR to introduce legislation for the protection of the rights of refugee children. Para. 59 - To continue working in cooperation with UNICEF for the rehabilitation and reintegration of under-age soldiers. Para. 60 - To continue working in cooperation with international agencies for the elimination of landmines. Para. 64 - Further technical assistance from, inter alia, OHCHR and UNICEF to undertake legal reform to combat the sexual exploitation of children and to implement the Plan of Action against Sexual Exploitation of Children. Para. 66 - Technical assistance in the field of juvenile justice from, inter alia, the Office of the United Nations High Commissioner for Human Rights, the Centre for International Crime Prevention, UNICEF and the International Network on Juvenile Justice, through the Coordination Panel on Technical Advice and Assistance in Juvenile Justice.
CENTRAL AFRICAN REPUBLIC	CRC/C/11/Add.18 (initial)	CRC/C/15/Add.138 (twenty-fifth session)	Para. 15 - Technical assistance from UNICEF to update the National Plan of Action. Para. 17 - Technical assistance from UNICEF to create coordination mechanisms at national and local levels and to adopt a single integrated child rights policy. Para. 21 - Technical assistance from UNICEF to strengthen disaggregated data-collection procedures, according to the different criteria covered by the Convention.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
CENTRAL AFRICAN REPUBLIC (cont'd)	CRC/C/11/Add.18 (initial)	CRC/C/15/Add.138 (twenty-fifth session)	Para. 25 - Technical assistance from UNICEF and OHCHR to develop a long-term campaign to disseminate the Convention through diverse means, taking into consideration the high rates of illiteracy and the lack of access of the large majority of the population to television or radio broadcasts. Para. 47 - Technical assistance from UNICEF and WHO to provide additional support to families and communities, inter alia, through assistance in combating the effects of poverty and in compensating for the loss of earnings and other support caused by HIV/AIDS illness or death among parents. Para. 49 - Technical assistance from UNICEF to adopt a programme to strengthen and increase alternative care opportunities for children deprived of their family environment, including the expansion of existing structures, the improved training of staff, the allocation of increased resources to relevant bodies and the provision of assistance to extended family members who take on responsibility for orphaned children. Para. 55 - International cooperation in this regard, including from UNICEF, WHO and others, to address health concerns among children and adults and to improve access for the whole population, including poor families, to health services. Para. 71 - International assistance, including from UNICEF and UNESCO, to raise the level of educational achievement among children through, inter alia, increasing the numbers of schools and classes available; the initial and ongoing training of more teachers and school inspectors; the development of standard national textbooks; increasing rates of enrolment; the provision of assistance with school fees, uniforms and other equipment to poor families. Para. 73 - Technical assistance from UNESCO and UNICEF to make the "Ambassadors for Peace" programme accessible to children who are currently excluded from the education process.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
CENTRAL AFRICAN REPUBLIC (cont'd)	CRC/C/11/Add.18 (initial)	CRC/C/15/Add.138 (twenty-fifth session)	Para. 75 - Continue cooperation with UNHCR, making particular efforts to assist refugee children who are living or working in the streets. Para. 77 - International assistance in the area of juvenile justice from, inter alia, OHCHR, the Centre for International Crime Prevention, UNICEF and the International Network on Juvenile Justice through the Coordination Panel on Technical Advice and Assistance in Juvenile Justice. Para. 79 - Technical assistance from ILO/IPEC to develop a policy on child labour starting with the elimination of the worst forms of child labour.
CHAD	CRC/C/3/Add.50 (initial)	CRC/C/15/Add.107 (twenty-first session)	Para. 13 - International cooperation from, inter alia, UNICEF for the identification of appropriate disaggregated indicators for all areas covered by the Convention and for all groups of children under 18. Para. 25 - International assistance and advice on successful examples of how to overcome traditional social attitudes regarding corporal punishment. Para. 26 - Technical assistance from, inter alia, WHO and UNICEF for the training of professional staff working with and for children with disabilities. Para. 27 - International assistance to make basic health care, safe water and sanitation accessible to all children. Para. 28 - International cooperation from UNICEF, WHO and UNAIDS to set up programmes relating to the incidence and treatment of children infected with or affected by HIV/AIDS. Para. 30 - Technical cooperation from, inter alia, UNICEF and WHO to promote adolescent health policies and programmes, including by strengthening reproductive health education and counselling services.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
CHAD (cont'd)	CRC/C/3/Add.50 (initial)	CRC/C/15/Add.107 (twenty-first session)	Para. 34 - To work in close cooperation with international agencies such as UNHCR and UNICEF for the protection of refugee children. Para. 35 - International assistance for the rehabilitation and social reintegration of former child soldiers, and in particular to provide compensation and support services to traumatized or permanently disabled former child soldiers.
CHILE	CRC/C/3/Add.18 (initial)	CRC/C/15/Add.22 (sixth session)	Para. 17 - Assistance from OHCHR in establishing a legal system of administration of juvenile justice.
CHINA	CRC/C/11/Add.7 (initial)	CRC/C/15/Add.56 (twelfth session)	Para. 29 - Cooperation with UNICEF is widely disseminating throughout the country, including through mass media, the principles and provisions of the Convention. Para. 39 - Cooperation with UNICEF, WHO and UNESCO for further training of staff in welfare institutions, for effective supervision of staff and periodic review of treatment provided to children in such institutions and, in light of other issues raised during the dialogue, for reviewing systems in place for monitoring welfare institutions and providing them with adequate financing. Para. 42 - Assistance from relevant United Nations bodies including OHCHR to review thoroughly the legislative and administrative measures and procedures in relation to juvenile justice to ensure their conformity with the Convention and other instruments relevant in this field.
COLOMBIA	CRC/C/8/Add.3 (initial)	CRC/C/15/Add.15 (preliminary) (fifth session) CRC/C/15/Add.30 (concluding) (eighth session)	Para. 16 - Closer cooperation with relevant international agencies to assess the implementation of the Convention and narrow the gap between law and practice. Para. 19 - Assistance from ILO in the area of child labour. Para. 24 - Cooperation with United Nations bodies and specialized agencies, including OHCHR, to embark upon major reform in all areas of concern indicated.

State party	State party report	Observations by the Committee	Areas identified for advisory services and technical assistance
COLOMBIA	CRC/C/70/Add.5 (second periodic report)	CRC/C/15/Add.137 (twenty-fifth session)	Para. 25 - International assistance from, inter alia, UNICEF to establish an independent and effective monitoring system for the Convention with a view to assessing progress achieved in the realization of children's rights and to evaluating policies for better implementation of the provisions of the Convention. Para. 29 - Technical assistance from, inter alia, OHCHR and UNICEF to disseminate the principles and provisions of the Convention as a measure to sensitize society about children's rights with special emphasis on the dissemination of the Convention among minority groups as well as in rural and remote areas. Para. 31 - Technical assistance from, inter alia, OHCHR and UNICEF to provide systematic education and training on the provisions of the Convention for all professional groups working for and with children, in particular parliamentarians, judges, lawyers, law enforcement officials, civil servants, municipal workers, personnel working in institutions and places of detention for children, teachers, health personnel, including psychologists, and social workers. Para. 46 - International cooperation from, inter alia, UNICEF to take effective measures, including reinforcing current multidisciplinary programmes and rehabilitation measures, to prevent and combat child abuse and ill-treatment of children within the family, at school and in society at large, by inter alia, strengthening law enforcement with respect to such crimes; by reinforcing adequate procedures and mechanisms to deal with complaints of child abuse in order to provide children with prompt access to justice and to avoid impunity for the
